Dear Jeremy,

We have been doing business now since 2005, and I must say, it has been a real pleasure working with you and the guys at Precise.

As a general contractor, my trade partners will either make me or break me, and you all have certainly made me look good over the years.

My projects are never ordinary and your guys just seem to be able to pull it together and get it done no matter what we ask, and the outcome is always perfection.

You certainly are a different company than most.

Sincerely,
